The Power Behind Performance

Making Waves.

In the marine battery business, you've got to have what it takes to deliver.

And that's power. Since 1926 Crown Battery has serviced battery markets all over the world. With dependable batteries that deliver unmatched power when you turn the key.

Our Marine Batteries are proof. We're offering a whole new lineup of marine Starter, Severe Duty and Deep Cycle batteries that deliver the high to very high CCAs and running power that are needed in today's marine industry. Our design team took elements from several of our high performance batteries and blended them into a dynamo especially for the marine industry.

We've taken a whole new look at our marine line.

And so should you.

Crown Marine Batteries. Rugged. Dependable. Safe. Smart buyers know that heavy-duty, Made in America batteries can handle the waves coming at them...

We're ready. Are you?

MAR-1000

24HDC95

- **CleanFit™ Maintenance Free Cover**

The CleanFit™ cover design affords clean, maintenance-free operation, ease of fitment – and a durable recessed handle for safe handling and installation.

- **Innovative Terminals**

Heavy duty terminals resist corrosion and optimize durability and efficiency in tough operating environments.

- **PosiWrap™ Envelope Separators**

PosiWrap™ separators reduce maintenance and prevent failure due to short-circuiting and plate shedding, ensuring reliability and durability.

- **Tough Connectors**

Thicker SolidCast™ COS, TTP and Terminal Post connectors for premium performance and reliability.

- **SolidCast™ Plate Construction**

Crown's full frame SolidCast™ grids utilize uniform wire thickness across the grid structure to hold and retain active materials for longer life and better reliability.
